

Digital textbooks Access – Elementary Schools

Dear Parents,

All scholars will have access to online textbooks for the 2020-2021 school year. Your scholar will access their textbooks through the various sites listed below. Your scholar's teacher will walk them through the process of accessing their textbooks through CCPS's Portal, Rapididentity. Generally, they will click on one of the icons below, enter their student I.D., and start their lesson with a digital textbook. Imagine is the one exception. Use the URL at the bottom of the page to access Imagine It.
