Mr. Darrell Brewster
Assistant Principal

Greetings Mustang Family,

It is with great pleasure that I welcome you to the 2020-2021 school year at Pointe South Elementary School. I am very excited to serve all of you in my fourth year as your principal. As I reflect on the end of the 2019-2020 school year, I would like to thank our Mustang parents for coming through time and time again with stories of individual perseverance that filled us with hope and reaffirmed our belief in this next generation of young people ready to take on the world!

Though the beginning of our school year is an unprecedented one in the history of our educational system, we will continue to provide our scholars with the best education possible. The current change that we are in has taught us how to work better as a team. As we know, learning cannot stop. Learning has no boundaries. We learn from our actions, events and experiences. Mustang family, we must work together to make this new learning experience a success for our scholars. Together, I know we can!

We will begin our 2020-2021 school year on August 10 in a Virtual Instructional Model. This is something new for you as well as for us. This change has impelled us to learn creative strategies to provide a quality education in a virtual learning environment. Scholars, your teachers have worked really hard to reach you through well-prepared materials for virtual learning. But remember, you have to be responsible scholars and strive to make the best use of time. I miss our second home, "OUR SCHOOL". I long to see the smiles on your faces, giving you hugs, movement on the playground, and conversations in the classroom. No worries, we will be back together again at the right time. Scholars, I LOVE YOU and wish all of you the BEST school year ever!

We are going to continue to provide quality customer service as we assist all of our Mustang families. Parents, if you have any questions or need some assistance, please call 770-473-2900.

Serving with Pride,
Charlotte Shoemaker
Principal
